NOTICE

It hereby informed to all the students of JNIMS that, on the view of requirement and demand of the students, **internet access will be available shortly at our college library from 4:00 to 6:00 pm under strict maintenance by the System Administrator of our Institute.** It will be a **broadband Wi-Fi** service that can hold for **250 users**. The following reminders are being instructed by the System Administrator and Institute authority.

- 1. Students must have Library Pass Card. Those who have not been having the card can inform the Chief Librarian, during office hour to make it as soon. It will ensure to pass through library only for the current students of JNIMS.**
- 2. Students must not upload any post/photo/comment regarding the current communal issue. If so happen, then the IP address of the user will be banned and will be called for explanation.**
- 3. No outsider, Ex-students of JNIMS are not permitted to access.**

Moreover, one important reminder is that, **our Library will be closed after 6:00 pm for the time being until further notice** because, the college authority has **the information and proof of some students doing unwanted practices between boys and girls above the library and inside the Administrative-Block.** This will be the **last warning for those who committed such things.** If they are caught after this warning, they must be responsible for any decision made by the college authority.

Library will be re-opened soon after systematic monitoring system is made by providing security personal. Library pass card will be mandatory for every student. I hope everyone will cooperate the decision made by the authority.

Thank you.

Ningthoujam Dinesh Singh
President, JSA
